#### Collection and usage attributes

Guide for use: Where the exact dollar amount for respite services is unable to be provided an

> estimate should be derived from available local information. Where data are unavailable on grant amounts for specific service types, the value of grants not allocatable to specific service types should be reported under other and

unspecified services grants to non-government organisations.

**Collection methods:** Grants for respite expenditure are to be reported at the lowest statistical unit level

at which the expenditure occurred (state/territory or region), and should not be

counted at more than one level.
