Guide for use:

Individualised funding should have all of the following characteristics:

- the funding dollars are provided from with program funds;
- funding dollars are allocated to an individual on the basis of needs assessment, funding application or similar process;
- these funding dollars may be directly under the control of the individual or their carer/advocate; or may be managed by or in consultation with a service provider to access a range of services for the individual; or may be given directly to the service provider who provides the service to the individual;
- the funding is transportable and able to move with the individual if they choose to use another service;
- the individual funding package is generally related to a policy ethos of fostering individual choice and autonomy.

Implementation in Data Set Specifications: [Commonwealth State/Territory Disability Agreement NMDS - 1 July 2006 Community Services \(retired\)](#), Superseded 14/12/2008
DSS specific information:

Examples of individualised funding include (from disability services):

- in Western Australia - Intensive Family Support funding;
- in Queensland - Adult Lifestyle Support Packages, family support programs and post-school programs;
- in Australian Government-funded programs - Case Based Funding (CBF) and Futures for Young Adults (FFYA);
- in the ACT - Individual Support Packages;
- in Victoria - Futures for Young Adults (FFYA), Flexible care packages (Making a Difference (MaD), HomeFirst, Family Choice Program and Continuity of Care State-wide Fund);
- in Tasmania—Individual Support Program (ISP), and Supporting Individual Pathways; and
- in the Northern Territory - Client Focussed Funding (CFF).

If a service outlet manages a program or package that does not meet one or more of the criteria for individualised funding then it should not be reported as an individualised package.

This data element assists in monitoring trends over time in individualised funding.

DSS specific information:

For the DS NMDS, the codes used are:

- 1 Yes
- 2 No
- 3 Not known

Code 3 'Not known' should only be recorded when it has not been possible for the [service user](#) or their carer/family/advocate to provide the information (i.e. they have been asked but do not know).

For the purposes of the DS NMDS, all employment services provided by the Australian Government through 'case-based funding' are considered to be provided on an individualised funding basis. Code 1 'Yes' for this data item if the [service type outlet](#) is providing [service type](#) '5.01—Open employment' or '5.02 — Supported employment'.

If a service user receives multiple services from a funded agency, and is funded to receive these services from an individual funding package as well as another funding mechanism (e.g. block funding) then code 1 'Yes' should be recorded for this data item.

Examples of individualised funding include:

- Western Australia—Intensive Family Support funding
- Queensland—Adult Lifestyle Support Packages, family support programs and post-school programs
- Australian Government-funded programs—Case Based Funding (CBF) and Futures for Young Adults (FFYA)
- Australian Capital Territory—Individual Support Packages
- Victoria—Futures for Young Adults (FFYA), Individual Support Packages (ISP)
- Tasmania—Individual Support Program (ISP) and Supporting Individual Pathways
- Northern Territory—Client Focussed Funding (CFF).
