Format:	N[N(8)]
Maximum character length:	9
Unit of measure:	Australian currency (AU\$)

Source and reference attributes

Submitting organisation:	Australian Institute of Health and Welfare
---------------------------------	--

Data element attributes

Collection and usage attributes

Guide for use:	Excludes grants to non-government organisations for services that are to be reported separately. These are grants for accommodation services, advocacy services, community awareness services, counselling services, independent living skills support services, pre-vocational training services, psychosocial support services, recreational services, respite services, self-help support group services and other unspecified services grants.
Collection methods:	<p>Residual mental health expenditure is to be reported only at the level at which the expenditure occurred (state/territory, region or organisational), and should not be counted at more than one level.</p> <p>Report Mental Health Act Regulation or related legislation expenditure only where the activity occurred independently to service units and where that expenditure is not reported elsewhere. Where the Mental Health Act Regulation or related legislation activity occurs as an integral component of service delivery (e.g. in cases where the service is already reporting activity data), the expenditure should be reported under the relevant service unit.</p>
