Extent of activity limitation in a life area

Identifying and definitional attributes

Metadata item type:	Property
Synonymous names:	Activity limitation; Participation restriction
METEOR identifier:	506001
Registration status:	Community Services (retired) , Standard 19/09/2013 Disability , Standard 13/08/2015
Definition:	The extent of activity limitation or participation restriction in a life area.
Property group:	Functional wellbeing

Collection and usage attributes

Comments:	The Activities and Participation list in the International Classification of Functioning, Disability and Health—the list of life areas—can be viewed as either individual functioning (activities) or societal functioning (participation) (WHO 2001). Activity limitations are difficulties an individual may have in executing activities. Participation restrictions are problems an individual may experience in involvement in life situations.
