---	--

DSS specific information:

This data element is used in conjunction with the data elements: Service provider organisation—drug of concern, text X[X(199)] and Service provider organisation—substance use treatment/assistance delivery method, code N.

The Aboriginal and Torres Strait Islander primary health-care substance use service is asked 'Which substance use issues did your service provide treatment/assistance for during the period 1 July to 30 June? A list of substance use issues is provided with tick boxes provided for 'On an individual client basis' and 'As a specifically targeted program'. More than one substance use issue may be selected for both 'On an individual client basis' and 'As a specifically targeted program'.
