Children Cluster

Identifying and definitional attributes

Metadata item type:	Data Set Specification
METEOR identifier:	650587
Registration status:	Commonwealth Department of Social Services (retired) , Standard 20/06/2018
DSS type:	Data Element Cluster
Scope:	The Children Cluster defines information about recipients of Centrelink benefits who have children for whom they are eligible to receive a Family Tax Benefit (FTB) payment, a Double Orphan Pension or a Multiple Birth Allowance.

Collection and usage attributes

Statistical unit:	Recipient
Comments:	Family Tax Benefit Part A or B

A FTB payment is a two-part payment that helps with the cost of raising children. To be eligible for the payment a recipient must:

- have a dependent child (aged 0–15 years), or secondary student younger than 20 years of age who is not receiving a pension, payment or benefit such as Youth Allowance
- provide care for the child for at least 35% of the time
- meet an income test.

A young person aged 19 can be an FTB child up to the end of the calendar year in which they turn 19, as long as they are in full-time secondary study.

Double Orphan Pension

The Double Orphan Pension is a payment to a recipient who cares for a child where:

- both parents deceased, or
- one parent is deceased and the other parent is: in prison for at least 10 years, or held on remand and charged with an offence that may be punishable by imprisonment for a term of at least 10 years, or in a psychiatric hospital or nursing home for an indefinite period of time, or uncontactable, that is, whose whereabouts are unknown, or
- both parents live outside Australia or their whereabouts are unknown, and the child has been granted refugee status by the Australian Government, or admitted into Australia under a special humanitarian program approved by the Minister with portfolio responsibility and has not at any time lived in Australia with either or both parents.
