## Collection and usage attributes

<b>Guide for use:</b>	Excludes payments to non-government organisations for services that are to be reported separately. These are payments for accommodation services, advocacy services, community awareness services, counselling services, independent living skills support services, pre-vocational training services, psychosocial support services, recreational services, respite services, self-help support group services and other unspecified services payments.
<b>Collection methods:</b>	<p>Residual mental health expenditure is to be reported only at the level at which the expenditure occurred (state/territory, region or organisational), and should not be counted at more than one level. Expenditure should be reported for these categories, where applicable:</p> <p>Report research expenditure for this category only where the research operated independently and where that expenditure is not reported elsewhere. Where the research activity occurs as an integral component of service delivery (e.g. in cases where research staff are also clinical staff within a hospital unit), the expenditure should be reported under the relevant service unit (at the organisation-level).</p>
