	80	Died
	90	Other (includes discharge to usual residence (not including residential aged care), own accommodation/welfare institution (includes prisons, hostels and group homes providing primarily welfare

Collection and usage attributes

services))

Guide for use: CODE 40 Discharge/transfer to other health care accommodation (includes

mothercraft hospitals)

In jurisdictions where mothercraft facilities are considered to be acute hospitals, patients separated to a mothercraft facility should have a mode of separation of Code 10. If the residential aged care service is the patient's place of usual residence then they should have a mode of separation of Code 22.
