Source and reference attributes

Submitting organisation: Australian Institute of Health and Welfare

Data element attributes

Collection and usage attributes

Guide for use: The date of patient presentation at the emergency department is the date of first recorded contact with an emergency department staff member. The first recorded contact can be the commencement of the clerical registration or triage process whichever happens first.

Comments: Required to identify commencement of a visit and for calculation of waiting times.

Source and reference attributes

Submitting organisation: Department of Health Tasmania
