National Housing Assistance Data Dictionary (NHADD)

The national metadata standards for the housing assistance sector are published in the National Housing Assistance Data Dictionary (NHADD) by the Australian Institute of Health and Welfare. The NHADD is the reference on agreed data definitions and information standards of relevance to the housing assistance sector. In essence, the aim is to provide a common language for the various agencies and governments involved in housing assistance.

Downloading the NHADD

The NHADD was last downloaded from METEOR on 05/01/2007. There have not been any changes to the data elements since version 3 of the NHADD was published.
