This product, excluding the AIHW logo, Commonwealth Coat of Arms and any material owned by a third party or protected by a trademark, has been released under a Creative Commons BY 4.0 (CC BY 4.0) licence. Excluded material owned by third parties may include, for example, design and layout, images obtained under licence from third parties and signatures. We have made all reasonable efforts to identify and label material owned by third parties.

You may distribute, remix and build on this website's material but must attribute the AIHW as the copyright holder, in line with our attribution policy. The full terms and conditions of this licence are available at <https://creativecommons.org/licenses/by/4.0/>.

Enquiries relating to copyright should be addressed to info@aihw.gov.au.

Enquiries or comments on the METEOR metadata or download should be directed to the METEOR team at meteor@aihw.gov.au.

My workgroups

In METEOR all metadata standards development is done through workgroups.

Workgroups are groups of metadata developers who share facilities to view and edit each other's metadata while it is being developed. Specific roles in each workgroup control who can view workgroup material, who can edit it, and who can assign these roles to other developers.

The workgroups that you have access to are shown in the list below *My workgroups* in the left navigation menu.
