Unresolved issues

The following information is applicable to all metadata items.

Definition

Comments which highlight unresolved issues for data committee or registrar consideration.

Obligation

Optional completion.

Development rules

This field should be used to document issues which are relevant to the quality of the metadata item and its management within METEOR e.g. any recommended changes awaiting approval from a data committee.

Unresolved issues can only be created and viewed by registrars and have been designed to assist communication between registrars.
