Enquiries or comments on the METEOR metadata or download should be directed to the METEOR team at meteor@aihw.gov.au.

Classification scheme - Value Domain

The following information is applicable to value domains only.

Definition

The name of the classification scheme which is implemented in this value domain.

Obligation

Conditional completion: complete for all value domains which are of representation class Code and implement a full chapter of, or entire classification scheme.

Development rules

A value domain may implement only one classification scheme.
