This product, excluding the AIHW logo, Commonwealth Coat of Arms and any material owned by a third party or protected by a trademark, has been released under a Creative Commons BY 4.0 (CC BY 4.0) licence. Excluded material owned by third parties may include, for example, design and layout, images obtained under licence from third parties and signatures. We have made all reasonable efforts to identify and label material owned by third parties.

You may distribute, remix and build on this website's material but must attribute the AIHW as the copyright holder, in line with our attribution policy. The full terms and conditions of this licence are available at <https://creativecommons.org/licenses/by/4.0/>.

Enquiries relating to copyright should be addressed to info@aihw.gov.au.

Enquiries or comments on the METEOR metadata or download should be directed to the METEOR team at meteor@aihw.gov.au.

Children - Specialisation

The following information is applicable to object class specialisations only.

Definition

The name of any object classes which are sub-types of the parent object class.

Obligation

Mandatory completion.

Development rules

At least two children should be specified per facet.

To add a child object class:

1. Click the *Add...* button.
2. This will open the METeOR window in which you can browse all object classes within METeOR.
3. Select the appropriate object class and click *OK*.
