# Housing assistance target group

## Identifying and definitional attributes

| | |
|---|---|
| **Metadata item type:** | Property |
| **Synonymous names:** | Target group |
| **METEOR identifier:** | 269394 |
| **Registration status:** | Housing assistance, Retired 10/02/2006 |
| **Definition:** | The target group is a group of people with a particular characteristic or set of characteristics which a particular program/service seeks to assist. Target groups may relate to population groups or communities, families/households, individuals, organisations or labour force groups.<br><br>Characteristics may include age, cultural identity, geographic location, specific needs and other relevant characteristics. |
| **Context:** | Target group is used in describing community services agencies, in service planning and in comparing community needs and service availability. |
| **Property group:** | Organisational characteristics |

## Collection and usage attributes

| | |
|---|---|
| **Comments:** | Should be supported by data items delineating the individual characteristics that define the target population, such as sex, country of birth, etc.<br><br>Note: At the present time very little community services data are classified to target groups but implementations of this classification is under active consideration by the National Community Services Data Committee. |
