## Object Class attributes

## Identifying and definitional attributes

Object class: <u>Indigenous housing organisation</u>

**Definition:** Any Aboriginal or Torres Strait Islander organisation which owns or is responsible

for managing community housing.

Managing includes at least one of the following functions: tenancy arrangements, rent collection or housing maintenance. This includes community organisations that

have a range of functions as well as Resource agencies and Land councils, provided that they own or manage Indigenous community housing.

Specialisation of: Organisation

## Collection and usage attributes

Comments: For the Community Housing Infrastructure Needs Survey (CHINS) collection,

housing organisations in receivership or liquidation at the time of enumeration were

excluded.

For the purposes of presenting CHINS results, Indigenous housing organisations

were classified as follows:

• Urban housing organisation: refers to an organisation managing housing only

outside of discrete Indigenous communities; and

 Discrete community housing organisation: refers to an organisation managing housing in one or more discrete Indigenous communities, with or

without housing in other locations.
