# Data element attributes

## Collection and usage attributes

### Guide for use:

This data element is used to differentiate between establishments run by the government sector (code 1) and establishments that receive some government funding but are run by the non-government sector (code 2).

#### CODE 1 Public

This code is to be used when the establishment:

- operates from the public accounts of a Commonwealth, state or territory government or is part of the executive, judicial or legislative arms of government,
- is part of the general government sector or is controlled by some part of the general government sector,
- provides government services free of charge or at nominal prices, and
- is financed mainly from taxation.

#### CODE 2 Private

This code is to be used only when the establishment:

- is not controlled by government,
- is directed by a group of officers, an executive committee or a similar body
- elected by a majority of members, and
- may be an income tax exempt charity.
