Representation class:	Date
-----------------------	------

Data type: Date/Time
Format: DDMMYYYY
Maximum character length: 8

Source and reference attributes

Submitting organisation: Australian Institute of Health and Welfare

Data element attributes

Collection and usage attributes

Guide for use: Record the date or dates on which the newborn's [Qualification status](#) changes from acute (qualified) to unqualified or vice versa.

If more than one change of qualification status occurs on a single day, the day is counted against the final qualification status.

Must be greater than or equal to admission date.

Relational attributes
