Collection and usage attributes

Guide for use:	CODE 01	Australian Health Care Agreements

CODE 11   Reciprocal health care agreements (with other countries)

Australian Health Care Agreements (code 01) should be recorded as the funding source for admitted patients who elect to be treated as public patients. However, overseas visitors who are covered by a reciprocal health care agreement and elect to be treated as public patients (as detailed at http://www.health.gov.au/haf/docs/visthlth/2000hlth.htm#rhca) should be recorded as Reciprocal health care agreement (code 11).

CODE 03   Self-funded

This code includes funded by the patient, by the patient's family or friends, or by other benefactors.

CODE 07   Department of Veterans' Affairs

This code should be used for Department of Veterans' Affairs patients (as defined in the metadata item Treatment funding eligibility status (Department of Veterans Affairs).

Compensable patients (as defined in the metadata item Compensable status, should be recorded as Worker's compensation (code 04), Motor vehicle third party personal claim (code 05) or Other compensation (code 06), as appropriate.

CODE 12   Other

This code should be used for overseas visitors for whom travel insurance is the major funding source.
