Collection and usage attributes

Guide for use: CODE FP* Partner of Family payment recipient

CODE PG* Non-payment Spouse of parenting payment partnered (PPP)
(includes PGL, PGN, PGP, PGY)

Codes PG* and FP* are derived payment type codes that indicate the person does not receive an income support payment or more than base rate FTB but is the partner of a person who receives either Parenting Payment Partnered (PG*) or FTB (FP*). Whilst the individual is not eligible for Commonwealth Rent Assistance (CRA), their partners may be. These codes are used to assist the Commonwealth department of Family and Community Services in compiling the data set.

Parenting Payment Partnered (PPP) is the proper name for the payment type but the Commonwealth housing data set including CRA uses a series of sub-codes which indicate the conditions under which the payment is made (i.e. PGL, PGN, PGP, and PGY).
