Guide For Use: 03 A supported care facility refers to community housing which provides formal support to residents.

This item refers only to the location of the person immediately following discharge from the community nursing service and can

not reflect subsequent events. For example, a person discharged to an acute hospital who subsequently dies there, must be coded as (02). In this case, the Reason for cessation (Item N-9) could be required terminal care in another setting, or for acute care etc.
