Guide For Use: Alcohol and other drug treatment services NMDS:

In the Alcohol and other drug treatment services national minimum data set, this data element is used to differentiate between establishments run by the government sector (uses code 1) and establishments that receive some government funding but

are run by the non-government sector (uses code 2).

Code 1 is to be used when the establishment:

- operates from the public accounts of a Commonwealth, state or territory government or is part of the executive, judicial or legislative arms of government;
- is part of the general government sector or is controlled by some part of the general government sector;
- provides government services free of charge or at nominal prices; and is financed mainly from taxation.

Code 2 is to be used in the AODTS NMDS only when the

establishment:

- is not controlled by government;
- is directed by a group of officers, an executive committee or a similar body elected by a majority of members; and
- may be an income tax exempt charity.
