
NMDS - Health labour force

Important note: This is an archived metadata standard from the AIHW Knowledgebase. For current metadata standards and related information please access METeOR, the AIHW's Metadata Online Registry at <http://meteor.aihw.gov.au>

Start date: 01-JUL-89

End date:

Scope: The scope of this set of data elements is all health occupations. National collections using this data set have been undertaken for the professions of medicine, nursing, dentistry, pharmacy, physiotherapy and podiatry, using labour force questionnaires in the annual renewal of registration to practice.

National reporting arrangements:

State and Territory health authorities provide the data to the Australian Institute of Health and Welfare for national collation, on an annual basis.

Periods for which data are collected and nationally collated:
Financial years ending 30 June each year

Source organisation:

National Health Information Management Group

Comments: Statistical units are entities from or about which statistics are collected or in respect of which statistics are compiled, tabulated or published.
