### Collection and usage attributes

<b>Guide for use:</b>	State or territory-funded expenditure to be reported only once and for the specific statistical unit level at which the expenditure actually occurred, e.g. at the state, regional or organisational level.
<b>Collection methods:</b>	<p>Where state or territory-funded expenditure could be allocated to more than one level it is important to allocate it to the single most appropriate statistical unit level to avoid the possible of counting the expended funds more than once. For example, funding provided for service delivery expenditure should be reported at the lowest statistical unit level possible only.</p> <p>Expenditure funded from all other revenue, excluding those reported separately, to be reported only once and for the specific statistical unit level at which the expenditure actually occurred e.g. at the state, regional or organisational level.</p>
