Specialised mental health service—residual expenditure (support services), total Australian currency N[N(8)]

Identifying and definitional attributes

Metadata item type:	Data Element
Short name:	Residual expenditure (mental health service)—support services
METEOR identifier:	290147
Registration status:	Health, Superseded 16/01/2020
Definition:	Expenditure in Australian dollars by specialised mental health services that cannot be directly related to programs operated by a particular organisation or service unit (that is, can only be indirectly related to a particular organisation or service unit). It refers to the cost of administration and other support services provided at the region-level. Such services include regional administration, information systems, personnel, finance and accounting functions. These services are usually provided from a central pool of resources managed at a regional level.
Data Element Concept:	Specialised mental health service—residual expenditure (support services)
Value Domain:	Total Australian currency N[N(8)]

Value domain attributes

Representational attributes

Representation class:	Total
Data type:	Currency
Format:	N[N(8)]
Maximum character length:	9
Unit of measure:	Australian currency (AU$)

Source and reference attributes

Submitting organisation:	Australian Institute of Health and Welfare

Data element attributes

Collection and usage attributes

Guide for use:	Excludes grants to non-government organisations for services that are to be reported separately. These are grants for accommodation services, advocacy services, community awareness services, counselling services, independent living skills support services, pre-vocational training services, psychosocial support services, recreational services, respite services, self-help support group services and other unspecified services grants.
Collection methods:	Residual mental health expenditure is to be reported only at the level at which the expenditure occurred (state/territory, region or organisational), and should not be counted at more than one level. Expenditure should be reported for these categories, where applicable: These services are usually provided from a central pool of resources managed at a regional level. Do not count these costs if they have been included in the expenditure reported by service delivery organisations within the region.
