----------------	---

Comments: This item is included in the following housing assistance data collections:

National Reporting Framework for Indigenous housing

In the National Reporting Framework for Indigenous housing data collection a housing management plan should contain:

- objectives for housing assistance delivery
- an asset management plan, including client consultation and feedback mechanisms and appropriate information and training for tenants to ensure tenants' responsibilities are understood and their rights protected
- rent collection policies and systems
- financial practices and reporting systems that link resources to outcomes.
