DSS specific information:

Do not include grants made by the state or territory health departments.

Do not include grants to non-government organisations for provision of staffed residential services.

Activities or programs for which the grant has been provided must have a primary function of providing treatment, rehabilitation or community health and related support and information services for people with a mental disorder or psychiatric disability, their carers or the broader community. These include accommodation, advocacy, community awareness, health promotion, counselling, independent living skills, psychosocial, recreation, residential, respite and self-help services. Mental health-related research is excluded. These may include, for example, a coordinated approach to service provision for people with a mental disorder or psychiatric disability for which most funding is provided by the state or territory health department, but some funding provided by other agencies, such as housing.

Grants are only to be reported at the state or territory level and should not be reported at any other level.
