Data element attributes

Collection and usage attributes

Guide for use:	Property incomes accrue when the owners of such assets put them at the disposal of other entities. Property income on financial assets is in the form of interest, dividends, etc. Property income on land and sub-soil assets is in the form of rent. Property income includes: interest and dividend income, land rent income and royalty income, net rental revenue, for example the income from rent paid by tenants in the public rental housing program.
