# Collection and usage attributes

**Guide for use:** Fixed assets are durable goods intended to be employed in the production

process for longer than a year. Includes net expenditure on mineral deposits, timber tracts and similar non-reproducible tangible assets and on intangible assets such

as patents and copyrights.

Expenditure on non-financial assets includes: purchase of new non-financial assets, purchases of second-hand non-financial assets and sales of non-financial assets which relates mainly to the disposal of previously rented dwellings, non-residential buildings, used plant and equipment and the sale of land (including the sale of

residential leases in the ACT) and expenditure on new dwellings.

Collection methods: Measurement on an accrual accounting basis is preferred to measurement on a

cash accounting basis.

This metadata item is typically measured for a financial year (1 July to 30 June the

following year).
