Collection and usage attributes

Guide for use:	Where the exact dollar amount for other and unspecified mental health services is unable to be provided an estimate should be derived from available local information. Where data are unavailable on grant amounts for specific mental health service types, the value of grants not allocatable to specific mental health service types should be included. Grants for mental health services classified elsewhere are listed below under Relational metadata attributes.
Collection methods:	Grants to non-government organisations for mental health services not elsewhere classified are to be reported at the lowest statistical unit level at which the expenditure occurred (state/territory or region), and should not be counted at more than one level.
