Data element attributes

Collection and usage attributes

Guide for use:	In an Emergency Department the service event commences when the medical officer (or, if no medical officer is on duty in the Emergency Department, a treating nurse) provides treatment or diagnostic service. The time of triage is recorded separately. The commencement of a service event does not include contact associated with triage.
Collection methods:	Collected in conjunction with non-admitted patient emergency department service episode service commencement date.

Source and reference attributes

Submitting organisation:	Australian Government Department of Health and Ageing
