<b>Implementation in Data Set Specifications:</b>	<a href="#">National Bowel Cancer Screening Program NBEDS 2014-18 Health</a> , Superseded 06/09/2018
---	--

**Implementation start date:** 01/07/2014

**Implementation end date:** 30/06/2018

**DSS specific information:**

People can have multiple interactions with the National Bowel Cancer Screening Program (NBCSP) system and will have a different correspondence number for each interaction. For example, a person will have a correspondence identifier for a screening invitation, a faecal occult blood test (FOBT), a general practitioner consultation and a colonoscopy.
