Collection and usage attributes

Guide for use:	If an agency received funding in December but intends to operate for 52 weeks per year, 'No' should be reported for this data element and '52' should be reported for Service operation weeks. An agency may be funded for the entire financial year but only operates for, say, four school holiday periods of 2 weeks each. In this situation, the agency should report that it is funded for the full financial year.
