Collection and usage attributes

Guide for use:	For a mapping of this value domain to the national standard for contact method follow this link: 'Contact method code mapping from NCSDD to SAAP' .
-----------------------	---

CODE 1 Via a third party, visiting agency

This code is used if a third party visited the agency to make a request for accommodation on someone else's behalf, and did not require accommodation themselves. This may include requests made by parents, friends and various agencies such as the police. A third party contact does not include situations where one person requested accommodation for themselves and another person.

CODE 2 By person/group, visiting agency

This code is selected if the person or group visited the agency and requested accommodation.

CODE 3 By person/group, by phone

This code is used if the person or group made a request for accommodation by phone.

CODE 4 Via a third party, by phone

This code is selected if a third party phoned the agency to make a request for accommodation on someone else's behalf, and did not require accommodation themselves. This may include requests made by parents, friends and various agencies such as the police, Centrelink, and referral, or other, SAAP agencies. A third party contact does not include situations where one person requested accommodation for themselves and another person.
