## Collection and usage attributes

**Guide for use:** This option refers to a person who is enrolled, either full-time or part-time, in an accredited teaching institution providing instruction up to year 12, but excluding kindergarten. The school year is counted from January 1 to December 31, so a school student finishing school and waiting to go on to further training would still be considered a school student.

CODE 3 Post-secondary student/employment training

This option includes:

- part-time or full-time attendance at any post-secondary institution (for example, TAFE or University);
- a person who receives a training allowance such as Newstart or are required by their employer to attend a post-secondary institution for job training; and
- a person participating in education in order to enhance employment opportunities (such as migrant English classes).

CODE 9 Not stated/inadequately described

Not stated/inadequately described is chosen if there is insufficient information to determine a person's student status either before or after support, or if a client did not want to answer this question.
