| Representation class: | Total |
| Data type: | Number |
| Format: | N[NN] |
| Maximum character length: | 3 |
| Unit of measure: | Day |

Data element attributes

Collection and usage attributes

| | |
|-----------------------|---|
| Guide for use: | Occasionally a patient's rehabilitation program is temporarily suspended because of a condition that prevents rehabilitation treatment. If more than one occurrence of suspension has taken place during an episode, all days for all occurrences should be counted. |
|-----------------------|---|
