Data element attributes

Collection and usage attributes

Guide for use: This data element should be used in conjunction with the data element: *Establishment (prison)—Aboriginal community controlled health organisation or Aboriginal medical service visitation frequency, code N* to gain information on the involvement of Aboriginal health services in the provision of general and mental health care to Indigenous prisoners.

Comments: The Royal Commission into Aboriginal Deaths in Custody recommended that corrective services, in conjunction with Aboriginal health services, should review and report upon the provision of health services to Aboriginal prisoners in correctional institutions and that this review should include, amongst other things, the involvement of Aboriginal health services in the provision of general and mental health care to Aboriginal prisoners (AIHW 2010).
