Data element attributes

Collection and usage attributes

| **Collection methods:** | This item is for children who were on a care and protection order during the financial year. This item should be filled in for all children, regardless of when they came into care. |
| | |

If the child was not on an order at 30 June, this should be left blank. This refers to the usual place of residence of the child, as stated in the case plan. If the child is absent, either planned or unplanned, the usual place of residence should still be recorded.
