

Government health expenditure NMDS 2009-14

Identifying and definitional attributes

Metadata item type:	Data Set Specification
METEOR identifier:	376403
Registration status:	<ul style="list-style-type: none">• Health, Superseded 04/12/2013
DSS type:	National Minimum Data Set (NMDS)
Scope:	<p>The scope of this dataset is direct government and government-funded expenditure on health and health-related goods and services.</p> <p>The purpose of this NMDS is to provide an enhanced understanding of the overall financial resources (recurrent and capital) used by the health system, and of unit costs and performance; to enable greater comparability of health expenditure data between jurisdictions and over time; and to provide a more efficient compilation of national reports and analyses on government funded health expenditure.</p>

Collection and usage attributes

Statistical unit:	Providers of health or health related goods and services or non-health services that support the health services industry; health or health related functions; and the sources of funds for these providers or functions.
Guide for use:	<p>The GHE NMDS consists of 5 mandatory data clusters and 1 conditional data cluster.</p> <p>The first two data elements named in each data cluster form one of the two axes of a matrix that combine to provide all data in Australian dollars.</p> <p>Data are to be reported in Australian dollars except when reporting the State/Territory identifier of the Jurisdiction.</p>
Collection methods:	<p>Data are collected by a number of providers from their administrative systems and forwarded to the relevant state or territory health authority on a regular basis (for example, monthly).</p> <p>Hospitals forward data obtained from patient administrative and clinical record systems to the relevant state or territory health authority on a regular basis (for example, monthly). Other data are obtained either directly from annual reports or through surveys.</p> <p>National reporting arrangements</p> <p>State and Territory health authorities provide the data to the Australian Institute of Health and Welfare for national collation, on an annual basis.</p> <p>Periods for which data are collected and nationally collated:</p> <p>Financial years ending 30 June each year.</p>
Implementation start date:	01/07/2009
Implementation end date:	30/06/2014
Comments:	<p>Scope links with other NMDSs</p> <ul style="list-style-type: none">• National Public Hospital Establishments NMDS• Mental Health Establishments NMDS
