Definition: The process whereby the residential care service accepts responsibility for the resident's residential care and accommodation. Episode of residential care start is the administrative process by which a residential care service records either:

Formal episode of residential care start:

- the start of residential care and accommodation of a resident, or;

Statistical episode of residential care start:

- the start of a reference period for a resident continuing their residential care and accommodation, from the previous reference period.

Context: Specialised mental health services (Residential mental health care).
