Data element attributes

Collection and usage attributes

Guide for use:

This data element is used to differentiate between services that receive some government funding but are run by the non-government non-profit sector (code 1) and other services (code 2).

CODE 1 Yes

This code is to be used when the service is managed by an organisation that:

- is not controlled by government, and is either,
- an income tax exempt charity; and/or
- does not distribute any profits to members or external parties.

CODE 2 No

This code is to be used for all other services.
