

ABS Survey of Disability, Ageing and Carers (SDAC), 2003

Identifying and definitional attributes

Item type: Data Source

Description: This publication presents a summary of results from the Survey of Disability, Ageing and Carers (SDAC) conducted by the Australian Bureau of Statistics (ABS) throughout Australia, from June to November 2003. The primary objective of the survey was to collect information about three population groups: people with a disability older people (i.e. those aged 60 years and over) people who provide assistance to older people and people with disabilities.
