# National Schools Statistics Collection

## Identifying and definitional attributes

| | |
|---|---|
| **Item type:** | Data Source |
| **METEOR identifier:** | 396607 |
| **Description:** | The National Schools Statistics Collection (NSSC) is a collaborative arrangement between state, territory and Australian Government education departments. It is managed by the Ministerial Council on Education, Early Childhood Development and Youth Affairs (MCEECDYA) Performance Measurement and Reporting Taskforce (PMRT). Information is provided on the number and characteristics of schools, students and staff. These data are derived from the annual Schools Census enumerated each August by the responsible authorities. |
