#### Comments:

Disaggregation: National and state/territory, by engagement in work/education status, by Indigenous status.

Most recent data available for 2010 CRC baseline report: 2008 NATSISS (Indigenous) and SEW 2008 (non-Indigenous).

The NATSISS does not provide information on level of qualification for those working towards qualification (only for those who have completed). Therefore, the data on education/training includes persons aged 18-24 engaged in education/training at any qualification level.

Work is required to collect data by qualification level of current study.
