# Data element attributes

## Collection and usage attributes

<b>Guide for use:</b>	The qualification status of a worker relates to the worker's currently held relevant qualifications, i.e. only completed qualifications should be reported.
<b>Collection methods:</b>	Please select the box that reflects the qualification levels of your preschool teaching staff. Note that a Bachelor degree pass 4 year equivalent includes staff who have been deemed to have the necessary skills and qualifications to be employed as a 4 year degree equivalent teacher by your jurisdiction.
<b>Comments:</b>	The 'No qualification' and 'Qualification unknown' categories have been put into the Supplementary values field to ensure that the permissible values only refer to the level of education. Future development - suggest separating this data element into a yes/no indicator data element to determine whether the person has a qualification or not, and a level of education data element.
