Collection and usage attributes

Guide for use:	CODE 9 Not stated/inadequately described This code is not for use in primary data collections.
-----------------------	---

Data element attributes

Collection and usage attributes

Guide for use:	In this data collection, cigarette includes manufactured cigarettes, roll-your-own cigarettes, cigars, pipes and other tobacco products.
Collection methods:	If the person indicates that they never smoked a full cigarette but provided details on the age of first smoking and current smoking status then the person should be counted as having smoked a full cigarette.

Comments: This question has been included because it exactly matches a question in the 2007 National Drug Strategy Household Survey—"Have you ever smoked a full cigarette?"—thus enabling comparisons with the general community.
