

# State/territory health practitioner registration board data

## Identifying and definitional attributes

**Item type:** Data Source

**Description:** State/territory-based health practitioner registration boards.

Currently each state and territory has an individual registration board for each type of health practitioner.

State/territory Medical Registration Boards:

NSW - <http://www.nswmb.org.au/>

Vic - <http://www.medicalboardvic.org.au/>

Qld - <http://www.medicalboard.qld.gov.au/>

WA - <http://www.medicalboard.com.au/>

SA - <http://www.medicalboardsa.asn.au/>

Tas - <http://www.medicalcounciltas.com.au/>

ACT - <http://www.medicalboard.act.gov.au/index.asp>

NT -

State/territory Nurses and Midwives Registration Boards:

NSW - <http://www.nmb.nsw.gov.au/>

Vic - <http://www.nbv.org.au/web/guest/home>

Qld - <http://www.qnc.qld.gov.au/>

WA - <http://www.nmbwa.org.au/>

SA - <http://www.nmba.sa.gov.au/>

Tas - <http://www.nursingboardtas.org.au/domino/nbt/nbtweb.nsf/>

ACT - <http://www.actnmb.act.gov.au/>

NT -

[http://www.health.nt.gov.au/Health\\_Professions\\_Licensing\\_Authority\\_HPLA/index.aspx](http://www.health.nt.gov.au/Health_Professions_Licensing_Authority_HPLA/index.aspx)

Note: In the NT, a single registration board is responsible for both medical practitioners and nurses/midwives.

From 1 July 2010, the registration functions of the various state/territory boards will become the responsibility of the Australian Health Practitioner Regulation Agency, as per the March 2008 Intergovernmental Agreement on the health workforce.
