Implementation in Data Set Specifications: Specialist Homelessness Services NMDS 2011
Homelessness, Superseded 01/05/2013
Housing assistance, Superseded 01/05/2013
Implementation start date: 01/07/2011
DSS specific information: Evidence suggests that the longer persons with mental health problems are supported by specialist homelessness services, the more likely they are to move into public, or community housing or rental housing rather than return to rough sleeping. Access to a range of longer-term supports and community-based services will increase the early intervention and recovery support options for people who are homeless with a mental illness and substance abuse disorders.
