6 Other

**Supplementary values:** 9 Not stated/inadequately described

# Collection and usage attributes

Guide for use: CODE 1 Agency worker

The person appears to the agency worker to have an undiagnosed mental health

condition.

CODE 2 Health professional

The person has been diagnosed with a mental health condition by a doctor, nurse

or other health professional.

CODE 3 Non-government agency

A non-government agency offering disability support programs, or a local

community support program, whose target population includes those with a mental

illness.

CODE 4 Family, friends, carers

Family, carers, friends or others who know the applicant well, and are concerned

that the person may have an undiagnosed mental illness.

CODE 5 Self-identified

The person reports that they have a mental illness but does not have contact with specialised mental health service or other relevant service providers at this point in

time.
