Data element attributes

Collection and usage attributes

Guide for use: This item provides information about why agencies are unable to meet people's requests for services.

There may be more than one reason why services are not provided to people seeking them. This data element is used to collect all of these reasons.

Collection methods: The permissible values for this data element are used to form the response categories to the question:

'Which one of the following reason(s) best describes why the person was not provided assistance?'
